## 9th, 10th, 11th, 12th Supply List for School Year 2018-2019

This is the startup list for the year. Please continue to replenish supplies as they are used and needed. Some items will be used as community supplies and stored in the homeroom. Items with “NA” will be kept with students in their lockers. All items should have the student’s name and grade level printed on the front top center. Dual-enrollment students do not have to get the items for subjects taken off campus, but they must contribute to homeroom items.
